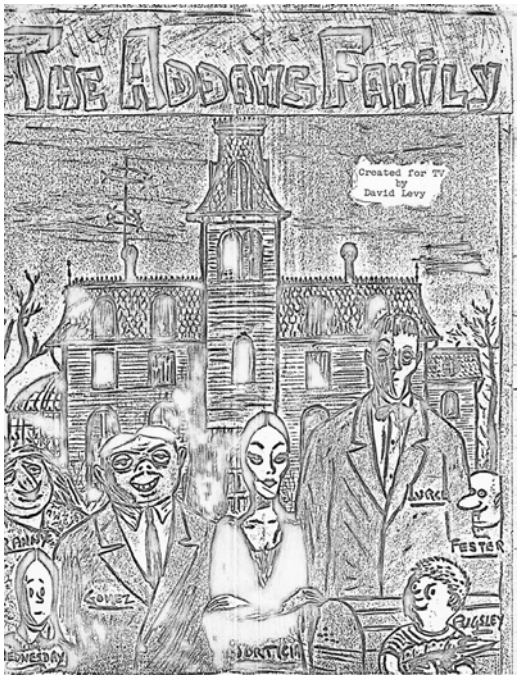
The *Family*....



One of many images....

A husband who desires his wife—
who delights in poison ivy, hemlock
and the thorns of beheaded roses.

The title page of "One Man's Dragon" referred to in the text, signed by my father with additional markings.

1977: Chuck Fries, and Gar, rear: John Astin center,
flanked by two look-alikes:
Fries produced *The Addams Family Halloween* special
in 1977, the end of my father's involvement with
the *Family*.
